

## Public Meeting Group Comments

**Project:** Playa Drain Trail – Phase 1  
**Public Meeting Group Comments**  
**Prepared By:** Tobin Fox  
**Meeting Date:** May 17, 2017  
**Issue Date:** May 19, 2017

---

### Group 1 (Area A)

Jorge F. Acosta, Sr., Minerva Acosta, Jorge F Acosta Jr., Maria L Lopez, Jose Segoviano, Maggie Segoviano, A. Sanchez, M.M de la Rosa, R. Vilardell

Adequate Lighting

Well Positioned

Graffiti

Fencing (safety)

Trail should be on both sides of Drain bank

Include pedestrian and bicycle paths. Trail to accommodate runners, walkers, skate boards, bikes, etc.

No desert landscaping, Want grass and trees. Pest repellent landscape materials

Covered trash receptacles

Doggie Bag dispensers

Activity stations (workout areas)

Seating & benches to serve people of all ages

Overall design to serve people of all ages

Good neighbor program

Restrooms??

Security cameras

Beware of utility lines

Can neighbor who live adjacent have direct access?

Good maintenance for trail & facilities

Can Franklin overflow canal have a direct crossing instead of loop toward Alameda Blvd.?

Include Artwork, but do not stereotype. Learn from Alameda art project

Trail near Riverside HS should pay homage to RHS.

Signage – rules, regulations, points of interest, crosswalk/safety

All shade canopies should be durable, prefer metal materials

No Murals for artwork
